

Continuum - Echo SE Pedicure Chair

Item# CP1008

Description:

Turn a pedicure into a full spa experience with a rolling and kneading Shiatsu massage built right into the chair.

Features:

Include auto-fill (designed to fill the basin to the correct water level and starts the Luraco iFill 3 magnetic jet automatically), reclining back, independent rolling and vibrating back massage. Genuine cherry wood veneers with industrial grade finish. Adjustable center leg support with adjacent contoured footrests position feet perfectly for a pedicure. Easy to clean and chemical resistant. A powerful no pipe jet featuring one dual jet-stream No Pipe Jet, with Air Control. Basin features integrated foot supports with river stone texture. Eco-friendly; utilizes less than five gallons of water. This pedicure throne offers easy entry/exit due to the low profile. The seat and frame is much lower than other spas and the arms open up so it is easy for the elderly, disabled and for shorter people to get in and out of the throne.

Specifications:

- o Dimensions - 61.72" L x 29.5" W x 52.5" H
- o Electrical - 120V AC, 15 Amp, 60HZ. A separate and dedicated 15 Amp GFCI protected circuit MUST be used for each throne.
- o Plumbing - Hot/Cold supply lines 1/2" ID
- o Warranty - 1 Year

Options:

- o May be specified with COM (additional fees apply)

A factory installed power drain pump can be added at an additional cost. This will allow the water to be pumped from the drain under the basin to the rear of the throne if plumbing is already located there. A power drain pump may also be used if existing plumbing is through a wall.

Upholstery/Color Options:

(base options:)
