

## Living Earth Crafts ~ Club LE All Electric Pedicure Chair with Tilt Back

Item# LEC10013

### Features:

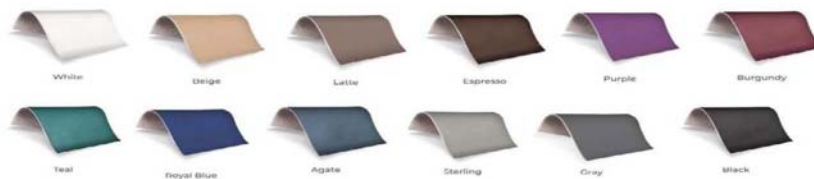

The Club LE features a retractable, motorized, fully plumbed pedicure bowl. With a retracted footprint similar to that of a standard armchair. Includes luxurious strata seat cushioning, contrast double stitching, embedded control panel, commercial grade chrome plumbing fixtures, adjustable electric footrest and power drain pump. Electronic chair, bowl and footrest adjustments enable perfect client and technician ergonomics. The hidden pedicure unit features whisper quiet, reliable pipeless hydrotherapy, and is packed with practical features including a hand sprayer, power remote drain, and convenient plumbing connects. (Swing Away Arms not included).
