

Living Earth Crafts ~ Pro Salon Kensington

Item# LEC1020K

Description:

This Pro Salon model, shown with Craftsman style base, is a deluxe multi-purpose spa table featuring full electronic control of table height, head panel and leg panel tilts. The Craftsman style base comes standard Maple.

Features:

The Pro Salon incorporates "Quiettech", the LEC motor/hydraulic system that is smoother, quieter and more reliable. Includes an 8-button hand control, heavy duty foot pedal, Strata 6" Memory Foam with squared corners, hard maple wood construction with louvered cabinet, half round neck roll, and an embedded table warmer. The low height base cabinet includes a power outlet and can accommodate a hot towel cabinet or other electrical device.
