

Living Earth Crafts ~ Serenity Pneumatic Assist Tilt Top W/ Trestle Base

Item# LEC1022F

Description:

The versatile Serenity™ Facial table with its non-electric PowerAssist™ tilt option offers limitless possibilities at an incredible value. Trestle base comes standard in Maple, as pictured above.

Features:

Using the One Touch lever, a technician may adjust the back tilt to the perfect angle. Infinite adjustability. Adjustments can be made with the client on the table, allowing you to provide comfort, and reliability while pampering the spa guest. Includes foot control and 3 1/2" deluxe cushioning. This workhorse table features the strong and reliable Quietech™ hydraulics that lift and lower effortlessly using the heavy duty foot control. Its ease of use makes the Serenity the obvious choice for today's busy spas.
