

Living Earth Crafts ~ Soho All-in-One Treatment Chair

Item# LEC2001

Description & Features:

This all-in-one chair with the ability for multiple positions makes it perfect for facials, medical procedures, massage, even manicure and pedicure. The fully upright 90 degrees, zero gravity or flat are just a few of the many ways you can use the Soho. The stabilizer bars and full size top offers a premium massage surface and the compact Cuvee wood base style hides the high tech components. The fully reclining treatment chair has a programmable hand control and a hands-free foot control with a 625 pound lift capacity. Includes PivotPerfect Arms (except on 26" W) and Strata Plus Memory Foam cushioning. Base standard in Natural Maple, pictured in upgraded stain.
