

Garfield/Paragon - UV Sterilizer

Item# S2057

Description:

Uses Ultra-violet rays to aid in sterilization of your tools and implements.

Features:

UV light kills more germs than soap and water alone to help prevent the spread of bacteria and infection. Fits most spa and nail implements. Sanitizer should be used in conjunction with proper procedures. UV lamp and wire rack included.

Specifications:

- Dimensions - 14.5"L x 8.5"W x 9.5"H.
- Electrical - 120v, 30w, .25amps
- Plumbing - None
- Warranty - 1 Year
