

J&A- Lenox SE Pedicure Throne with Shiatsu Massage

Item# SF1010S

Description:

Combines the beauty of the glass bowl with the efficacy of pipe-less whirlpool system together with the elegance of full massage chair to form the "couture" pedicure spa.

Features:

The efficient pipe-less jet system is quiet, durable and easy to clean. The unique base design is quality constructed and provides easy access for clients and round front for technician comfort. The Shiatsu massage chair, elegantly crafted with Cherry wood arms, is incredibly comfortable and quiet, and sliding arms provide clients with effortless in and out.
