

Continuum ~ The Pedicute

Item# CP1004

Description:

A portable solution for pedicures with a easy to fill/empty tub and durable casters.

Features:

The Pedicute has an adjustable, contoured footrest that supports the entire leg and positions the feet perfectly for a pedicure. A removable tub with disposable liners provides a safe and sanitary pedicure. An adjustable vibrating aqua massage with heat ensures soothing comfort and relaxation. The removable tub means no hoses, no pumps, and no connections needed. Instead it is truly portable and hassle free. The lightweight removable tub holds 1 to 1.5 gallons of water and is easily filled at any sink. Includes 5 disposable liners.
